

Hermelina Zabala

Senior Vice President Patient Care Services and
Chief Nursing Officer

Hermelina “Lin” Zabala is the Senior Vice-President of the Patient Care Services and the Chief Nursing Officer of St. John’s Episcopal Hospital. She has over 30 years of experience in the organization and has served in leadership roles in both Education and Nursing Administration. Most recently Lin has served as the AVP of Nursing Quality Assurance and Operations. She provided different leadership roles in the organization and made significant contribution to its success.

Aside from Lin’s administrative skills she is also a Nurse Practitioner with clinical background and training as a critical care nurse. She has passion for providing the best quality care for the patients, their family and the wellbeing of the staff team members and leaders.

The vision that she has is to provide quality care to serve the community of the Rockaways by providing quality training and education to the nursing team and leaders. She envisioned that through continuous high quality education and training the nursing team will be transformed and own their practice in rendering compassionate care to the community we serve.
